- Built with: HTML5, CSS3, JavaScript & [an external API](#)

MICROVERSE

Mentor (Volunteer)

Remote
Aug 12, 2022 - Present

- I mentored junior web developers, providing technical support by reviewing their code.
- I provided advice and tips on maintaining a good attitude while enrolling in Microverse.
- I assisted my mentees in becoming goal-oriented by setting weekly goals and following up on them.

EDUCATION

MICROVERSE

Remote Full Stack Web Development Program, Full Time

May 29, 2022- Present

- Spent 500+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with HTML, JavaScript, React, and CSS.
- Developed skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.
- I learned how to effectively manage my time and work under tight deadlines.

University: HiLCoE
